BEAUTIFUL HOME WITH BREATHTAKING VIEWS

The lovely 5 bedroom house is designed for the family that loves to entertain. The lower level offers 3 living areas that consist of the open-plan lounge and dining room (with fireplace) and an entertainment area with built-in braai. There is a beautiful flow between the areas with Aluminum doors opening up giving you that extra sense of space. This all is complimented by the kitchen with centre island, separate scullery that is designed for the gourmet cook at heart!

All the family bedrooms are located upstairs, providing separation between entertainment and rest, including a pajama lounge. Each of these bedrooms includes an en-suite. There is guest bedroom downstairs with its own bathroom allowing that sense of privacy aswell.

There are 4 garages, one of the double garages has been converted into an office which is optional...
